In addition, the Board shall have the right to suspend votes and the right to use the Common Area (other than for access to one's Lot) for violation of its rules, as well as to proceed judicially to enjoin and abate violations of such rules as if such rules were use restrictions contained herein as covenants on the Properties.

This Section shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Section 7. Easements for Utilities, Etc. There is hereby reserved to the Association the power to grant blanket easements upon, across, over, and under all of the Property, including Lots, for ingress, egress, installation, replacing, repairing, and maintaining master television antenna or cable systems, security, and similar systems, walkways, and all utilities, including, but not limited to, water, sewers, telephones, gas, cable television, and electricity; provided this easement shall not authorize entry into or physical damage to any structure as might exist unless owned by the Association.

Article III Association Membership and Voting Rights

Section 1. Membership. Subject to Section 2 of this Article, every person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership.

Section 2. Multiple Owners. No Owner, whether one or more persons, shall have more than one (1) membership per Lot; provided, however, multiple use rights for multiple owners shall exist subject, however, to the right of the Board of Directors to regulate and limit use by multiple Owners. The rights and privileges of membership, including the right to vote, may be exercised by a member or the member's spouse.

Section 3. Voting. There shall be one class of voting stock. Each owner shall be a member of the Association. Each member shall be entitled to vote on all issues, however, this vote shall be limited to one (1) vote per lot. When more than one person holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the Lots vote shall be suspended in the event more than one person seeks to exercise it.

Article IV
Association Powers and Responsibilities

A. In General

Section 1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof. The Association shall maintain, operate, and preserve the Common Area for the good and benefit of the community and holders of easements herein provided for or contemplated.

Section 2. Services. The Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof and any other personnel as the Association's Board of Directors shall determine to be necessary or desirable for the proper operation of the Properties. Such personnel may be furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. The association may obtain and pay for legal accounting services necessary or desirable in connection with the operation of the Properties or the enforcement of this Declaration. The Association may, but shall not be required to, arrange as an Association expense with others to furnish trash collection, security, cable television, and other common services to each Lot within PARADISE VALLEY CAMPGROUND.

Section 3. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property.

Section 4. Power to Contract. The Association may, acting through its Board of Directors, contract with any other residential or commercial association, Parcel, or neighborhood within or adjacent to PARADISE VALLEY CAMPGROUND to provide services and/or perform services on behalf of such other association, Parcel, or neighborhood.

Section 5. Enforcement of Restrictions. The Association shall have the right and power to enforce each and every restriction herein contained, including those restrictions relating to architectural approval and modification, and shall have all those powers and privileges necessary or desirable to so act, and may, at its sole discretion, appoint review boards, (and particularly architectural review boards), to evaluate, or determine compliance with, restriction, and particularly to preapprove anticipated architectural compliance prior to commencement of construction of any particular allowed Improvement.

Section 6. Power to Assess. The Association shall have the right and power, as more particularly set forth in this Declaration, to fix, levy, collect, and enforce payment by any lawful means, all charges and assessments pursuant to the terms of this Declaration, to pay all expenses in connection therewith, and all office and other expenses incident to the conduct and affairs of the business of the Association.

Section 7. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration, the By-laws, or its Articles of Incorporation and every

other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

B. Maintenance.

Section 1. Association Responsibility. The Association shall maintain and keep in good repair the Common Area, such maintenance to be funded as hereinafter provided. This maintenance shall include, but not be limited to, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures, and improvements situated upon the Common Area.

Section 2. Owner' s Responsibility. Subject to Article X hereof, the maintenance responsibility of an Owner shall be as follows:

(a) All maintenance of Lots, unless specifically identified hereunder or in a Supplemental Declaration or other applicable Declaration of Covenants as being the responsibility of the Association or another party or entity, shall be the responsibility of the Owner of such Lot.

(b) In the event the Board of Directors of the Association determines that (i) any Owner has failed or refuses to discharge properly his or her obligations with regard to the maintenance, repair, or replacement of items for which he or she is responsible hereunder; or (ii) that the need for maintenance, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his or her family guests, lessees, or invitee, the Association, except in the event of an emergency situation, shall give the Owner written notice of the Association' s intent to provide such necessary maintenance, repair, or replacement, at their sole cost and expense; the notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary and the cost thereof. The noticed party shall have thirty (30) days within which to pay such amount claimed; or, in the event such maintenance or repair is to the owner' s Lot complete said maintenance repair, or replacement; or, in the event that such maintenance, repair, or replacement is not capable of completion within said thirty (30) day period, to commence such work which shall be completed within reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such person' s sole cost and expense, and the cost shall be added to and become a part of the assessment to which such party is subject and shall become a lien against the Lot of such party.

C. Insurance and Casualty or Liability Losses.

Section 1. Insurance. The Association' s Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Area against loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious mischief. This insurance shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board may, but shall not be required to, obtain a public liability policy applicable to the Common Area covering the Association, its officers, directors, members, and agents. Unless otherwise provided by the Board of Directors, the cost of all such insurance coverage shall be paid from the common expense. Each insurance policy may contain a deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as Trustee, for the respective benefited parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies on the Common Area shall be for the benefit of the Association, Owners, and their mortgagees, as their interests may appear.

(b) Exclusive authority to adjust losses under policies in force on any portion of the Properties, including the Common Area obtained by the Association shall be vested in the Association's Board of Directors; provided, however, that no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(c) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual owners, occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purposes shall be disbursed for payment of such repairs or reconstruction, as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction or in the event no repair or reconstruction is made after making such settlement as is necessary and appropriate with the affected Owner or owners and their mortgagee(s), as their interests may appear, shall be retained by and for the benefit of the Association. This is a covenant for the benefit of any mortgagee of any part of the Properties and may be enforced by such mortgagees.

(b) If it is determined, as provided for in Section 3 of this Article, that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, available proceeds shall be disbursed in the manner as provided for excess proceeds in Section 2(a) hereof.

Section 3. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless at least seventy-five percent (75%) of the total vote of the Association shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available, provided, however, that such extension shall not exceed sixty (60) days. No mortgagee shall have the right to participate in the determination whether the damage or destruction shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Property by its respective owner or owners in a neat and attractive condition.

Section 4. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of

the Association' s members, levy a special assessment against all Owners ultimately responsible for the payment of the policy premium in the same proportion as an Owner' s assessment bears to the Association's budget. Additional assessments may be made in a like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the cost of repair, such excess shall be deposited to the benefit of the Association.

Section 5. Lot Owner' s Responsibility.By virtue of taking title to a Lot, each Owner of a Lot covenants and agrees with all other Owners and with the Association to carry all-risk casualty insurance in the event the Association does not carry blanket all-risk casualty insurance on improvements on Lots. Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of any structure located on a Lot, he or she shall proceed promptly to repair or reconstruct the damaged structure in a manner consistent with the original construction. In the event that any structure is totally destroyed or rendered uninhabitable or unusable and the owner thereof determines not to rebuild or reconstruct, then that owner shall clear that Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction. The obligation of a Lot Owner hereunder specified shall not be applicable to any Owner whose Lot is insured under a casualty insurance policy obtained by an Association of owners on his behalf.

Article V Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation) by any authority having the power of condemnation or eminent domain, the award made for such taking shall be payable to the Association, as Trustee for all Owners, to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking at least seventy-five percent (75%) of the members of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area, to the extent lands are available therefore, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article IV hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvement on the Common Area, or if there is a decision made not to repair or restore, or if there are not funds remaining after any such restoration or replacement is complete, then such awards or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Article VI (Reserved for future use)

Article VII Assessments

Section 1. Creation of General Assessment. There are hereby created General Assessments for Common Expenses as may from time to time be specifically authorized by the Board of Directors. General Assessments shall be levied against all Lots subject to this

Declaration and shall be used to pay expenses determined by the Board to be for the benefit of the Association, its members, and the Properties as a whole, including, but not limited to, maintenance and insurance of the Common Area and expenses otherwise incurred by the Association in accordance with its rights, powers, and privileges.

Section 2. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed or contract for deed, whether or not it shall be so expressed in such instruments, is deemed to covenant and agree to pay to the Association, in accordance with the provisions hereof:

(a) Annual assessments or charges.

(b) Special assessments, such assessments to be established and collected as hereinafter provided; and

(c) Specific assessments against any particular Lot which are established pursuant to the terms of this Declaration, including but limited to, reasonable fines as may be imposed in accordance with Article IV A. Section 6, hereof.

(d) All such assessments, together with interest at the highest rate permitted by applicable law, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made regardless of conveyance thereof. Each such assessment, together with interest, costs, late fees and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment came due, and his or her grantee shall be jointly and severally liable for such portions thereof as may be due and payable at the time of conveyance; provided, however, any first mortgagee who obtains title to a Lot pursuant to the remedies provided in the mortgage or foreclosure of the mortgage or deed in lieu of foreclosure will not be liable for Lot's unpaid assessments which accrued prior to the acquisition of title to such Lot by the mortgagee. Assessments shall be paid in such a manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration of the annual assessment for delinquents; the assessments shall be paid annually in advance, unless otherwise provided by the Board of Directors.

Section 3. Computation of Assessments.

(a) The initial annual general assessment shall be TWO HUNDRED TWENTY FIVE AND NO/100 DOLLARS (\$225.00).

(b) It shall be the duty of the Board at least forty-five (45) days prior to the commencement of a fiscal year to prepare a budget covering the estimated costs of operating the Association and the Properties during the coming year. The budget shall separately list General Assessments. The Board shall cause a copy of the budget and the assessments to be levied there from to be available to all members at a central location on the Properties at least twenty (20) days prior to the meeting. The budget and assessment established there from shall become and be effective unless objected to in writing executed by at least a majority of the total Association eligible votes and delivered to the Board of Directors no later than ten (10) days prior to the effective date of the proposed budget. Notwithstanding the foregoing, in the event that the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein or by the procedure herein described repeated as need be, the budget and assessments in effect for the current year shall continue for the succeeding year.

(c) Despite anything else contained herein, the amount of the budgeted assessment in any particular year may be increased by the Board of Directors of the Association in a succeeding year without need of making the budget available for disapproval by the members, and without

membership consideration, so long as the proposed assessment does not exceed an increase greater than TEN PERCENT (10%) over that assessment charge for the preceding year.

Section 4. Special Assessments. In addition to the assessments authorized elsewhere herein, the Association may levy a special Assessment in any year. The Board, by majority vote, may impose any special assessment without a membership vote.

Section 5. Effect of Nonpayment of Assessments; Additional Maintenance Fee. Any assessments which are not paid when due shall be delinquent. Any assessments delinquent for a period of more than thirty (30) days shall incur a late fee in an amount as the Board may determine from time to time, but not to exceed Ten (\$10.00) Dollars or ten percent (10%) of the initial assessment amount owed, whichever is greater; provided, if the Board does not determine a late fee, the late fee shall be the maximum amount hereby authorized.

Section 6. Commencement of Assessment. Notwithstanding anything herein to the contrary, any and all assessments provided for in the Declaration shall commence against a respective Lot as in this section provided. Any and all assessments shall commence at the time of conveyance of a Lot to an Owner.

Article VIII Mortgagees' Rights

The following provisions are for the benefit of holders, insurers, or guarantors of first mortgages in PARADISE VALLEY CAMPGROUND. To the extent applicable, necessary, or proper, the provisions of this Article apply to both this Declaration and to the By-Laws of PARADISE VALLEY CAMPGROUND Property Owner's Association, Inc. Where indicated, these provisions apply only to "eligible holders," as hereinafter defined.

Section 1. Payment of Taxes. First mortgagees may, jointly or individually, pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. First mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

Section 2. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or any other party priority over any rights of the first mortgagee in the case of a distribution of such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area.

Section 3. Notice of Default. Notwithstanding anything contained herein which might otherwise be construed to the contrary, a first mortgagee, upon request, will be entitled to written notification from the Association of any default in the performance by an Owner of a Lot in which such mortgagee has an interest or any obligation under this Declaration, the By-Laws, or the Articles of Incorporation which is not cured within sixty (60) days.

Article IX General Provisions

Section 1. Coverage and Term.
