

August 15, 2010

**Dear Paradise Valley Campground owner,**

I hope this letter finds you in good health and having a great Summer. Here in Paradise everything is green and growing as we have had plenty of sunshine and rain.

Yesterday, your Board of Directors approved the work done by the Covenants and Rules Committee, and hereby present four Covenant and By-Law changes for your consideration. Our "Thanks" to Bill Maxwell and his Committee for their efforts and more yet to come in supporting this vote. *It's a lot of work.*

It is our goal to have all mailed Ballots returned by the end of August so that the results can be announced and voting completed in time for our regular September Meeting.

The Ballot includes four items:

- 1) Owners **not** voting in Covenant & By-Law revisions, **not** counted as **no** votes.
- 2) Permit 12 wide park trailers.
- 3) Increase height of cabin foundation posts from 2 to 3 feet.
- 4) Vacated Board seat filled by majority appointment, not by past candidate.

With each Ballot item is specific language of the By-Law and/or Covenant. Text removed is ~~lined out~~. Text added is underlined. Both complete documents are available to review online at [www.pvc4u.net](http://www.pvc4u.net) or you may have them in your own files.

Each Ballot item includes a Discussion, wherein essential explanation and supporting reasons for the proposed change are spelled out. Every attempt has been made to make clear what is being proposed. Do not hesitate to contact Bill or a Board Member if you wish to ask questions or clarify what is proposed.

Please sign and mark your Ballot promptly, place it in the stamped envelope and mail as soon as possible. **We need every vote !** To make a change, a positive vote from 2/3 of all of our owners is necessary. Please vote, and again, ***vote promptly !***

**Regards,**

John Coons - President

---
