## President's Corner

A big thank you to our 3 outgoing board members: John Coons, our former president, Jo Roshkosh, our former secretary and John Morris, our Water and Sewer Committee Chairman. We have elected 3 new board members for this year: Nick Coman will serve as vice president, Becky Holden will be our secretary, and Clyde Camp will be one of our committee chairmen. I feel we have elected three new excellent board members and I look forward to working with them this year.

We are having some problems with 3 of our sewage drain fields. This will have to be addressed at this time. It will be a costly project, but we can't complain too much because our septic system is over 20 years old.

We are also in the process of changing our dumpster contract from Waste Management to Waste Away, a local contractor. By doing this, we will be saving the association over fifteen hundred dollars per year.

There has been a lot of controversy in the past regarding our workshop meetings. In the future all workshop meetings will be open to anyone wishing to attend with the exception of when we have to deal with personal problems. All minutes will be recorded and posted within ten days.

We have a new work camper couple, Allen and Annie Hall. If you have not met them, look them up and welcome them to our park. Maybe we can talk the Halls into staying all year.

Buck Tidwell, President

Lanell Coons has Rada knives for sale.

We thank the couples who generously donated our TV. That TV wore out. The Activity Club has ordered a new 60" flatscreen TV which should be in next week.

## Gardening Schedule & Needs

Look at our beautiful grounds! Most of this is done by volunteers with Barbara Stone planning and using her talents. You too can help on the Tuesday after the Board Meeting in July and September. The Pipeline will remind you. Barbara would like some hosta plants from someone who has extras or has divided theirs. These wonderful volunteers helped on May 14: Barbara Stone, Jan & Tim Timotso, Jan Coman. Nan Moody, Donna Winburn, Stephanie Adair, Helen Czerwinski, Lanell Coons, Buck & Barbara Tidwell all helped by Allen Hall, our Work Camper.

## Day Out-May 20

We went to beautiful Amicalola Falls on our Friday Ladies' & Gentlemen's Day Out.

Frank & Shirley Boline, Ted & Jody Deitz, Joe & Judy Ellis, Dick Barber, Marilyn Pollard, Jan Timotso, Jan and Nick Coman also went to Pueblo's Restaurant in Dahlenega and had some great Mexican food. We took men and women because both were interested in this

type of outing. Check at the Pavilion because we would like to take more day or half day trips!

## FIVE Minute Chocolate Mug Cake

Mix dry ingredients in your large coffee mug (Microsafe). 4 T flour, 4 T sugar & 4 T cocoa. Add egg and mix thoroughly. Pour in the 3 T milk & 3 T oil and mix well. Add 3 T chocolate chips (optional) and 1 small splash of vanilla extract and mix again. Put your mug in the microwave and cook for 3 minutes at 1000 watts. ## Welcome

The Welcome Committee has only been able to greet one family this month. Robert & Sandi Gambescia are the proud owners of Lot 107. They are from Snellville, still working full time, but hoping to spend as much time up here as possible. Robert works for the city of Snellville and Sandi works for the Center of Disease Control Prevention. Robert loves meeting new people and flying his remote control airplanes. They both enjoy reading, hiking and kayaking. Please stop by to greet them if you see them up for the weekend. They are a delightful couple and have fallen in love with our little slice of heaven.

## May Activities

44 people attended the delicious pot luck.  
15 attended the Activities Meeting

May 28, Saturday -The Owners Meeting and Election was well attended and there were lively discussions. 204 owners were represented in person or by proxy. It is good to live in a community where owners make sure they are represented in the voting process.

The Memorial cookout was enjoyed by all. There was plenty of food and plenty of meeting and greeting our neighbors. Thanks to the 78 people who attended. Thanks for those who cooked and those who served the hamburgers and hot dogs and thank you to those who brought those delicious desserts.

*We will begin our "Yard of the Month" recognition soon; so Ladies & Gentlemen, get your green thumbs ready to spruce up your yard and be recognized for your efforts*

## **June Activity Club Meeting**

I accidentally forgot to put this on page 1. Activities Club Meetings are always on the third Thursday of each month, so our meeting will be on Thursday, June 19 at 2:00. ALL owners are welcome. We even had one brave man who attended this meeting. Come and join in on how we can help our community.

## **July Newsletter Deadline**

We will probably have festivities for July 4 - we always do, so please get the news to me early enough so I can have the newsletter done before that holiday weekend. I need the news by Monday, June 28, so I have time to compile, type, proofread, fix, print and staple those newsletters before another big weekend starts. Thank you to all those who give me news we can share.

Jan Coman, Lot 90
