Paradise Valley Campground

Volume 1, Issue 1, May, 2005

## Welcome Back!

"It's Spring again, and birds on the wing again, start to sing again..." begins an old standard, and so it is here in Paradise. Spring has arrived and so have those of you who Winter south. Some of us have been here all along...keeping watch.

There is so much to do it seems—cut the grass, clean up the debris Winter has left for us, and see friends you haven't seen in months. With all of that, somehow we have got organized to produce all the activities and events that are enjoyed so much.

On top of this, our Annual Meeting and elections come along at May's end, a scant 30 days away. This year not only are Board members to be elected, but we have big decisions to make about the repair of our roads. This Summer season should also see the end of the county imposed moratorium on building. Note please, the operative word here is "should". Perhaps we will again hear those saws and hammers after a very long hiatus. We hope so!

And so from that old standard once again, "...an old melody," perhaps fits much of what we confront with the beginning of this season, but it seems that we may well write a new verse or two in 2005 that will have a long-lasting effect on us all.

Welcome Back. Get informed. Participate. Enjoy a great season in Paradise Valley.

- ☺ **Make your own greeting cards.** Come to a “Stamping

Up Workshop” by Brenda Davis hosted by Gloria House and learn how to make your own greeting cards. This is a great “at home” hobby. Refreshments will be served. A \$10.00 charge includes 12 cards. Join in, **May 21 at 2:00 PM** at the Pavilion. Mark your calendar! We need at least six for this event.

## Please Help Out!

Work days are May 6 and 20 at 8:00 AM. Lunch is provided. We would love to see a huge turn out of enthusiastic owners to spiff-up our beau-

tiful mountain home. We need trimming, cutting, planting, scrubbing, etc. Bring gloves, rakes, and tools.

A yummy lunch is promised,; and if you can't help with the outside work, see Barbara Tidwell or Elizabeth Carter for kitchen duty.

The new “circle garden” at the entrance, a part of the planned work, will be funded by the Activities Committee. An earlier donation from an owner requested a flag pole be placed at the center of this garden. Lighting will be included. Additional donations for this project would be appreciated.

## Recipe

### Tiramisu Cake

#### Cake:

1 box French vanilla cake mix  
1 pint coffee ice cream, melted  
3 eggs

Heat oven to 350 degrees. Coat standard bundt cake pan with cooking spray and dust with flour; shake out excess. With electric mixer beat cake mix, melted ice cream and eggs until smooth. Bake at 350 for 35 to 40

minutes or until toothpick inserted in center comes out clean. (In my convection oven, it took approximately 60 minutes.) Cool in pan for 20 minutes. Invert onto rack to cool completely.

#### Frosting:

1 pkg. (8 oz.) crm. Cheese  
¼ Cup sour cream  
3 Tbsp. Butter  
2 Tbsp. Kahlua  
1 ½ Cups XXXX sugar

Cocoa for garnish

In large bowl, beat cream cheese, sour cream, butter and Kahlua until light and creamy. On low speed, gradually beat in XXXX sugar—about 1 to 2 minutes. Place in refrigerator to cool while cake cools. Spread top and sides with frosting. Refrigerate until ready to serve. Dust top with cocoa powder before serving.
