## PVC ACTIVITIES CLUB

The first pot luck dinner of the season was held on April 5<sup>th</sup>. Thirty seven people attended. Introductions were made and it was evident that there were many new comers present. Welcome! Lots of delicious food and fellowship was had by all, and “oh” those desserts.

On Saturday, April 12<sup>th</sup>, 42 PVC’ers met at Papa’s Pizza for a pizza bar feast. The group not only filled the back room, but they overflowed into the front room too.

On June 28<sup>th</sup> PVC will have the first yard sale at the pavilion from 8AM until 2PM. If you wish to rent a table for \$5.00 please contact Barbara Tidwell, Lot 16, or Pat Grice, Lot 213. Start gathering you items to sale. Remember "one person's junk is another person's treasure."

**FOR YOUR INFORMATION**

There is a sign-up book in the pavilion for anyone who would like to help with the monthly breakfast.

Also, if you have changes for the campground directory, or are new to PVC, please put your information in the book at the pavilion. This will be used in the new directory.

**REMINDERS**

\* Please break down all boxes before putting them into the dumpster. Only household trash should go into the dumpster. Yard trash should be placed at the front of your lot for weekly pick up.

\* Aluminum cans can be recycled. Please put them in the designated containers next to the dumpster. Proceeds go to PVC.

\* Park speed limit is 10 mph. Also golf carts should maintain a slow speed.

\* Committee info, travel news, recipes, etc. can be given to the editors, Barbara Baggot, Lot 187, or Barbara Mushlin, Lot 114 by the third week of each month. The Pipeline newsletter is a great way to get the “news” out to others.

**RECIPE FOR THE MONTH**

Smash Cauliflower

1 head of cauliflower  
13/4 cups shredded cheddar cheese  
1 stick of oleo or butter

(Recipe continued)

Cut flowerets from head of cauliflower and boil in pot until tender. Tear apart and mash with fork. Melt oleo or butter in microwave and pour over cauliflower and mix with spoon. Put in oven safe bowl and top with about ½ cup cheese. Place in oven at 350 degrees for about 10 minutes and then turn to broil for about 5 to 6 minutes or until it starts to brown. Serve and enjoy.

Eleanor Mazourek, Lot 181

**PLACES TO GO**

This 2008 PVC season, we will be highlighting things to see and do in the surrounding area, starting with Anna Ruby Falls.

Anna Ruby Falls is an attraction you don't want to miss. Two creeks flow off Tray Mountain and come together in a double waterfall. Curtis Creek plummets 153 feet and York Creek falls 50 feet to form Smith Creek at the bottom of the falls. A paved 0.4 mile footpath leads to the bottom of the falls. Anna Ruby Falls, named for the daughter of Colonel John H. Nichols who once owned the land, is located in the Chattahoochee National Forest. Unicoi State Park is only a short distance away.

**THOUGHT FOR THE DAY**

This is the beginning of a new day. You have been given this day to use as you will. You can waste it or use it for good. What you do today is important because you are exchanging a day of your life for it. When tomorrow comes, this day will be gone forever; in its place is something that you have left behind... let it be something good.
