## PRESIDENT'S CORNER

Although we have had rain since my last request that we conserve water, this area is still in a drought condition. We all should go by the watering rule of only watering twice a week from midnight until 10 A.M.

It is that time of the season when some of us will be making preparations to winterize our RV's and cabins. We need to make sure that we take all precautions to prevent any broken water lines due to freezing. Last winter, we had some lines freeze and break. With the drought we are in, we could return next season to find our wells dry.

I have asked Nan Hohne to be Chairperson of the nominating committee for the upcoming election. The committee members are: Roz Berk, Judy Geers, and Charles Preslar. Rodger Smith, who was last year's Chairperson, is acting as a consultant.

Sincerely,  
Tom Grice

Our annual Spaghetti Dinner held on August 11<sup>th</sup> was a big success! Head Chef Nick Coman, aided by his very able assistants Dmitry Mushlin, Bob Lucas, Buck Tidwell, Paul Merritt, and Dick Duhaime whipped up a delectable meal. 53 people were in attendance. Special thanks to Nick and his crew!

On August 18<sup>th</sup>, we had our monthly breakfast and we're delighted to report that we had the largest turn out of PVC'ers in quite a while! 71 campers enjoyed a scrumptious breakfast. The Crafts Sale on August 25<sup>th</sup> gave our talented PVC'ers the opportunity to show off and sell their wares at the Pavilion. We certainly admired the beautiful crafts on display! It's possible that we will have another sale in October.

Mildred Pelt, Sam Owens, Gail Flynn and several other PVC'ers came up with the idea of having a pool party for adults only from 6PM until ? on Saturday, August 18<sup>th</sup>. Our first party had 50 people and it was such a GRAND success that those present voted on having one every week until the pool closes. The rain didn't even interrupt the merriment on August 25<sup>th</sup>. We simply moved the party into the Pavilion! Plan on coming to our September 2<sup>nd</sup> pool party at 6PM. We'll have lots of fun, good food and fellowship! (BYOB and a snack to share.)

Labor Day weekend here at PVC will be a busy one! Saturday, September 1<sup>st</sup>, at 5PM starts the silent auction. At 6PM, our big Boston Butts Barbecue begins, followed by the announcement of the winners of the silent auction at 7PM. On Sunday, September 2<sup>nd</sup> our 3<sup>rd</sup> Pool Party takes place. Y'all come and join in the festivities!

The crafty ladies have made a magnificent full sized quilt with two pillow cases. This will be raffled off on September 29<sup>th</sup>. This is a fundraiser for PAVC. Please see Barbara Tidwell, Lot 16, or Mildred Pelt, Lot 141 to purchase tickets. Tickets also will be available at all PVAC social activities.

Our Garden Club will be getting together on September 17<sup>th</sup> for Fall clean-up. All volunteers will be much appreciated! Its good exercise and a great way to meet your neighbors and make new friends!

### WELCOME COMMITTEE

It was a pleasure to meet our new neighbors on Lot 134, Richard and Karen Angeli. Both Richard and Karen have been involved with Cub Scouts and Boy Scouts, and are still active in both organizations. Karen makes jewelry, Richard enjoys photography, back packing, and helps his son shoot fireworks at some of the Braves games. He is the President of the Trail Club at Kennesaw National Battlefield in Marietta. They both enjoy traveling with Lucky, their lab.

We also greeted Jimmy and Vicky Couch. Jimmy enjoys fishing and swimming. They live on a farm between Dawsonville and Gainesville. Their farm has been in their family for four generations. Jimmy's parents, T.L. and Wilma, who still live on the farm, will also be staying at Lot 132 often. Jimmy raises goats for a hobby. He now owns two on line stores, selling everything from farm equipment, to gifts and cabin decorations. Vicky works at Ingles Bakery in Dawsonville and bakes pies, decorates cakes and fills in wherever needed.

Finally, we would like you to meet Jack and Barbara Chambers, Lot 1. They live in Stock Bridge, Ga. Barbara was a math teacher. Jack is still self employed in A/C, heating, ventilation, and electrical work. Their hobbies are travel, cards, and square dancing. Barbara's hobbies are quilting and crafts. They are involved in meals on wheels. Also, they've been on mission trips in both the US and overseas.

A warm welcome to all of you!

Jan Coman, Lot 90, Chairperson

### ARCHITECTURAL COMMITTEE

In order to keep our properties uniform and our community attractive, it is imperative that ALL owners turn in any Architectural Permits before the last Board Meeting in October. Owners, please submit your plans by October 14<sup>th</sup> for any building projects which will be worked on before May 24, 2008.

Nick Coman, Lot 90, Chairperson

### LONG RANGE PLANNING COMMITTEE

Fellow Campers,

I hope that everyone has had the opportunity to see the architectural drawing for the renovation and addition to the pavilion. They are located on the roll-up door to the kitchen in the pavilion.

The LRPC has worked very hard to get to this point. We continue to work to assure that PVC owners get the best pavilion for the money. We realize that we can't please everyone, but we are trying to meet the needs of the park.

LRPC is in the process of obtaining bids for the work. Once the bid process is completed, you the owners will be asked to vote to either allow the Board of Directors to spend the money for the renovation or not spend the money. Ultimately, the decision will be yours.

I personally want to thank the members of this committee for their dedication and hard work on this project. The members are: Jan Grant, Elizabeth Carter, Barbara Mushlin, Nancy Morris, Beverly Sundin, Joan Moehring, Ray Schulze, Roz Berk, Helen Czrewynski, and Mildred Pelt. Also, the Board of Directors for their support.

Ken Killgo Lot 218, Chairperson

### FOR YOUR INFORMATION

This is the year White County celebrates 150 years! Here is more history about the county.

Yonah Mountain can be seen from almost any location in White County. It rises to 3,150 feet. The name Yonah is from the Cherokee word meaning "bear". This is a fitting name because if you look at the mountain from a distance, especially from the south, the ride resembles the shape of a bear. As Indian legend has it, this is the mountain where the lovers, Sautee and Nacoochee retreated. When the Chief found them, he ordered Sautee thrown to the rocks below. Nacoochee broke away from the braves and threw herself behind her lover. They are buried together in the Indian Mound in Nacoochee Valley. On this mountain, there is a devil's pulpit, a tight squeeze, and of course, a lover's leap. The Army Rangers train on the rocky face of Yonah. Public access is limited during the training months, unless you wish to walk.

If you haven't already guessed, the answer to the trivia question is: Sautee and Nacoochee are buried in the Nacoochee Indian mound.

### LITTLE TID BITS

If you get a splinter reach for the scotch tape before the tweezers. Put the tape over the splinter and then pull it off. Splinter should come out with the tape.

Use empty toilet paper rolls or paper towel rolls to store appliance cords or electrical cords. It keeps them neat.

Candles will burn a lot longer if placed in the freezer for at least 3 hours before burning.

### THOUGHTS FOR THE MONTH

#### WHAT DOES LOVE MEAN?

Touching words from the mouth of babes.

This question was posed to a group of 4 to 8 year olds. The answers received were deeper than anyone could have imagined. See what you think:

Rebecca, age 8 – “When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth”

Clare, age 6 – “Love is when Mommy gives Daddy the best piece of chicken”

Mark, age 6 – “You really shouldn’t say ‘I love you’ unless you mean it. But, if you mean it, you should say it a lot. People forget.”

And the final one – Author and lecturer Leo Buscaglia once talked about a contest he was asked to judge. The purpose of the contest was to find the most caring child. The winner was a four year old child whose next door neighbor was an elderly gentleman who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman’s yard, climbed onto his lap and just sat there.

When his mother asked what he had said to the neighbor, the little boy said, “Nothing, I just helped him cry.
