## President's Corner

It has been a very busy two weeks for the new President of PVC, but the spirit of our campground came alive.

The mail boxes have been moved to their new location with the help of many volunteers. The turnout for helping build and move the mailbox area was more than impressive. A big THANK YOU to all the volunteers for their help in building, and all the ladies for feeding us. A very special THANK YOU to Sam and Gail, Lot 99 for the use of their electricity for three days. As you know after Sept 6 the mail will not be delivered if you do not have a mailbox. See Dawn @ lot #253 for a mailbox.

The sewer problem should be fixed by the time you read this. An employee of North Georgia Sewer and Drain will be at our September 10 Meeting at 10 to talk about the problem and to answer any questions you might have.

Again, I want to thank all of the members and volunteers for their help.

Clyde Camp, President

## Activities

Please see the attached calendar for many of our activities. Please let Donna Winburn know about events, with accurate times and dates, so she can include them in our calendar. Donna's phone number is (912) 618 - 9013.

Friday, Sept. 1 the Ladies will be going to the North Georgia 400 Premium Outlet Mall. This is a good time to go for Labor Day bargains.

Sign up in the Pavilion if you wish to go.

Barbara Mushlin is in charge so the outing is in very capable hands and we have lunch out and fun too!

This month we will have a barbecue and Brunswick stew on Saturday to celebrate Labor Day here at PVC. The cost is \$5. You are encouraged to buy your tickets in advance.

On September 5, bring 10 quarters for Card Bingo in the Pavilion.

On Sept. 12 the movie will be "Soul Surfer" at 7 p.m. This movie is about a 13 year old surfer girl who summons the courage to go back into the ocean after losing an arm in a shark attack.

All are invited to the Activities Meeting.

## Ladies Day Out on August 26

We ate lunch at Ryan's and after lunch two husbands, Ted Dietz and Nick Coman, joined us to go to the movie, "The Help." Everyone agreed it was an excellent movie. It gave us a

lot to think about. Thanks to John Coons, we have a photo on the [wwwPVC4u.net](http://wwwPVC4u.net) website.

Gentlemen, if you are interested in some of our events, think about joining. It would be nice to have a man coordinate Men's Day Out.

## Welcome Back!

### A September Poem

"Lord, it is time. The summer was very big. Lay thy shadow on the sundials, and on the meadows let the winds go loose. Command the last fruits that they shall be full; give them another two more southerly days, press them on to fulfillment and drive the last sweetness into the heavenly wine."

- Rainer Maria Rilke

### Easy Skillet Apple Pie

#### Ingredients

- 2 pounds Granny Smith apples
- 2 pounds Braeburn apples
- 1 teaspoon ground cinnamon
- 3/4 cup granulated sugar
- 1/2 cup butter
- 1 cup firmly packed light brown sugar
- 1 (14.1-oz.) package refrigerated piecrusts
- 1 egg white
- 2 tablespoons granulated sugar
- Butter-pecan ice cream

#### Preparation

1. Preheat oven to 350°. Peel apples, and cut into 1/2-inch-thick wedges. Toss apples with cinnamon and 3/4 cup granulated sugar.
2. Melt butter in a 10-inch cast-iron skillet over medium heat; add brown sugar, and cook, stirring constantly, 1 to 2 minutes or until sugar is dissolved. Remove from heat, and place 1 piecrust in skillet over brown sugar mixture. Spoon apple mixture over piecrust, and top with remaining piecrust. Whisk egg white until foamy. Brush top of piecrust with egg white; sprinkle with 2 Tbsp. granulated sugar. Cut 4 or 5 slits in top for steam to escape
3. Bake at 350° for 1 hour to 1 hour and 10 minutes or until golden brown and bubbly, shielding with aluminum foil during last 10 minutes to prevent excessive browning, if necessary. Cool on a wire rack 30 minutes before serving. Serve with butter-pecan ice cream.

## The Mountain Cruisers Are Cruisin' Again

We are glad to announce that our very own campground motorcycle group, The Mountain Cruisers, is back in action. We have over 30 members and welcome more. The only requirement is that you ride a motorcycle or scooter, whether it has two wheels or three doesn't matter. We have plenty of each in our group already. It is not required that you be a PVC owner or even live in our campground.

We meet every Wednesday, weather permitting, at 9:30 at Linda's Chevron where we have a short discussion about our ride for the day. We generally like to stay around, or less than, 120 miles round trip but have been known to make it a longer day, depending on the destination.

It seems our main goal is to 'Ride to Eat, Eat to Ride' so we plan our trips around interesting restaurants. We are always looking for a new place to try out so if you know of some fabulous place, feel free to make a suggestion to Sam Owens, our group leader, or myself.

We now have a link on our PVC website. Go to: [www.pvc4u.net](http://www.pvc4u.net) and click on the Motorcycle Club link. There you can read all about our weekly rides and the neat places we find to eat. We're all looking forward to more beautiful rides and special events in the next couple months.

### Reminders:

I'm sure you have noticed that the Labor Day Celebration has been moved to 5:30 p.m..

Happy Labor Day, All You Laborers and You Retired Laborers, too. I hope you are enjoying the fruit of all your labors. Owners, renters and guests, please pick up after your dogs if they leave a deposit, even if it's on a green space or if no one is home. People don't like to come home to that kind of surprise. This has been a "dog friendly" park, please do not ruin that.

## WELCOME

The Welcome Committee has greeted 3 new owners since our last Pipeline.

Richard & Andrea Sowell purchased Lot #201 on Speckled Trout Drive. Richard works in Radiology at Emory University in Atlanta, while Andrea works in Jacksonville at PSS World Medical. They plan to build a cabin in the future. Richard served in the Air Force and enjoys motorcycle riding when he gets to spend time here.

Lot # 130 is now owned by Jerry & Diane Murchison from Tallahassee, Fl. They have 7 children and 8 grandchildren. Their hobbies include camping, bridge, hiking, cards and sewing. Jerry served in the Navy and retired from a law practice, while Diane was a nurse.

Jerry & Carolyn Sanders just closed on Lot #187. They are looking forward to taking a break from Carnesville, Ga to enjoy their beautiful view on their new creek lot. They have 2 children and 4 grands. Jerry enjoys fishing, hunting and tinkering, while Carolyn loves to read, walk, garden and look for antiques.

Please stop by and say Hello to all our new neighbors.
