President – Clyde Camp

When you read this the election for New Board

members will be underway. We have five well qualified candidates running for four positions. There are NO reasons why everyone doesn't Vote. In most of the things we vote on over the years we receive about 200 to 220 total votes returned. That means we have between 68 and 85 owners who don't vote. To me these are the ones that don't get involved in any activities or read the covenants, by-laws or rules of the park. To all owners get involved or STOP COMPLAINING.

Secretary – Elizabeth Carter

VP/Grounds – Darrell Williams

Hello Paradise! If you were at the board meeting on the 1st of July you would know that I volunteered to take John Nash's place on the Board of Directors, as Grounds. I have a few projects that I'm in the process of getting prices on and finding someone to do the work. Once all information is gathered, I will present the ideas and projects at the next board meeting.

Treasurer – Towana Pero

Greetings to all! I want to thank my committee members Kathy Smith, Karen Cantrell, and Barbara Camp for their hard work. I am blessed!!!

Also, a big thank you to Darrell Williams for diligently working on maintaining and upgrading some of the pool equipment. It looks great and we appreciate all you do!! July was a busy month and I hope everyone enjoyed all the festivities here in the park. I think everyone had a great time at karaoke and margarita party! Please let Karen Cantrell know if you need a clicker and we have a few mailboxes too! We continue to have a wait list for trailer spaces. If you no longer need your trailer space, please let me know! Our financials continue to be strong, and the July reports will be posted on the website and bulletin boards as soon as possible. Hope you all have a great August! Watch out Alaska!!!!

Architectural – Scott Smith

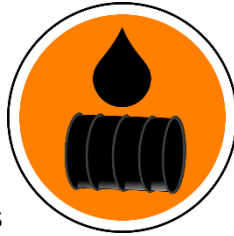

WOW! It's August already. This year is flying by. I have been working, and traveling back and forth to PVC, and time has just gotten past me this season. As far as permits and exterior improvements in PVC, things are moving right along. There are some nice projects going on, other permits are being completed. Things are looking up! PVC just

had a great Karaoke night for July. It's a fun night, you should not miss another one. The last date for exterior projects is October 31st. That's not that far away. So, if you are thinking about a project, time to get cracking. Of course, you can work on the inside in the off season. And you can do needed repairs at any time of the year. See you guys in the park!

Water & Sewer – Curtis Rooker

Water & Sewer has had a great month since the 4th holidays. One owner lot 13 needed their main valve replaced. Took longer than planned but still Danny Graves was able to get repairs completed by the requested outage time. Probably some noticed a loss of water on side 1 that wasn't scheduled, we had to shutoff more main line valves than planned to isolate lot 13. All smoothed out after locating the correct valve. All is running smoothly at this time. Let's all continue to enjoy the summer.

Activities – Linda Hackett

July started out with a bang! Our Golf Cart Parade and lunch was a great success. Want to thank Sandi Davis and all the hard-working volunteers for their help and support. The Self Defense class with Roy Garceau on Friday July 8th had a great turnout. He will continue Fridays at 9:45 in August! The Chosen with Joe Cuce is also great. The series continues Wednesdays in August. The Ladies of Paradise went to the Cottage Winery and about 17 folks enjoyed wine tasting and lunch. Platters supplied by activities, and everyone brought a side to share. We have a lot of events scheduled for August. Please follow blasts, calendars, and boards. Hope to see you all!!! Our next activity meeting is Friday August 5th at 1:00. All are welcome!! Any questions you can text me at 321-412-1437.

Sunshine Committee –

Shirley Williams and Lisa Meyer

We are sending prayers for healing and strength to Bob Fedderwitz as he is still having his cancer treatments, Angelo Constantine, is

hospitalized with a brain bleed and Thomas Read is also fighting cancer.

We send our sincere condolences and prayers to the family of Harold Lindey, lot 32.

Harold passed away in May; Gary Jarvis lost his mother; Linda Kendall lost her son-in-law; Jean Harkins lost her brother and Lynn Ewert for the loss of her friend-George. You are all in our thoughts and prayers

We at PVC are thinking of you all!

The sunshine committee cannot work without all of our PVC Family so please let us know if you know of anyone who needs a pick me up card or prayer. Also, Happy birthday to all our July birthdays. And please keep smiling. 😊

Friendly Reminders

Bears In the Park!

Please be aware of the possibility of bear(s) in the park, this usually happens in the spring! NO NEED TO PANIC! Be sure to take in your bird feeders at night and ensure all food is picked up and inside. Black bears are very opportunistic eaters, mostly eating grasses, roots, berries, fish, and insects (and human garbage). Visit bearwise.org for more information.

Until next time...
