Editorial

Ahh - Paradise - What a heavenly place!

Thanks to all who have made this park so lovely. Thanks to Barbara Stone who works so hard to plan and keep our common areas so beautiful..

Many people have asked me if I am still preparing the Pipeline. The answer is yes - I am, Jan Coman, Lot 90, 327 Hidden Valley Road. I need help with the calendar because I don't have a good calendar template, so I need a volunteer. I would like to thank Lanell Coons, Donna Wilburn, Sally Jones, Barbara & Buck Tidwell and Barbara Mushlin and anyone else who submitted articles, recipes, or information for all their past help with this little newsletter. If you wish to help by submitting news and sharing recipes or helpful information, please e-mail to me at jcjanick@gmail.com and put Pipeline in the Subject area or bring me a printed page to copy.

We have had many changes in our Board and Activities group lately, but I care about my neighborhood and my neighbors, so I plan to keep donating my volunteer time with this newspaper until I burn out (which happens to everyone).

I hope all of us find some time to volunteer and also some time just to enjoy our property, our campground and our friends near and far.

I appreciate the way John Coons has shared his technical gifts helping me with the Pipeline and his creation and management of the beautiful website and those very helpful and attractive directories he kept up for us for several years.

Thanks to all our present, future and past volunteers. We are, what we are, because of you and your sharing the load.

The Welcome Committee has welcomed 2 new owners in the fall of 2011 who did not get in the Pipeline.

Lyn & Murray Brinson purchased Lot #186. They owned here a few years back and many of you already know them. They winter in Fernandina Beach and have already placed a beautiful new park model on their lot for their summer enjoyment. They have 2 sons, 5 grandchildren and their puppy dog that is named Celine.

Lot #105 was sold to Jeff & Selma Grzecka from Warner Robbins. Jeff enjoys hunting and fishing while Selma loves to read and shop. They have a Great Dane named Dixie and a Pekinese named Chelsea.

This year Fred & Paula Noble on Lot #125 were greeted. They are from Lorida, Florida, but spent most of the winter here working on their cabin. Retirement was from Home Health Care and Orthodontics. They are blessed with 4 children, 9 grands and 1 great grand.

Richard and Catherine Barton from Brooksville, FL purchased Lot #124. Harley is their sweet little Shitzoo/Poodle mix. Hobbies include traveling, biking, gardening and quilting. They have a son and daughter with 6 grands and 5 great grands.

Becca Roby purchased Lot #98 during the winter months. She has 2 doggies named

Jessie and Katie. Becca loves travel, computers, technology, reading, gardening and walking. She is very outgoing and has already befriended many in the park.

Please take time to stop by and personally meet and greet these new neighbors. We are all blessed to have such a beautiful park and we want our new folks to feel a warm PVC welcome.

3-2-1 Cake

These individual little cakes are amazing and ready to eat in one minute. They are perfect for whenever you feel like a treat without all the fat and calories that cakes can have. Ingenious idea!

Ingredients: 1 box Angel food cake mix 1 box
Cake Mix - any flavor

Directions: In a gallon Ziploc bag, combine the 2 cake mixes together and shake to blend well. For each individual cake serving, take out 3 Tablespoons of the cake mix combination and mix it with 2 Tablespoons of water in a small microwave-safe container (a coffee cup for instance). Microwave on high for 1 minute and you have your own instant individual little cake!

Keep remaining cake mixture stored in the Ziploc bag and use whenever you feel like having a treat. You can top each cake with a dollop of fat free whipped topping and/or some fresh fruit. The egg whites are in the angel food cake mix, so do not use if you are allergic to eggs. If you are diabetic or not using sugar, you can use a sugarless cake mix. Have fun!

New Activity:

Four o'clock, Wednesday Social Time in the Breezeway by the Pavilion. Bring a snack and a beverage if you wish. If you cannot get there by 4, come when you come and stay as long as you wish. The idea is to see and meet friends.

If you have any ideas, contact the social
