

# PVC Pipeline © September, 2012

Volume 8

Issue 4

PVC has a new updated website: [PVCOA.com](http://PVCOA.com)

## President's Corner

As the summer winds down some of you will be leaving us this month. I want to thank the ones who are leaving for all of your help this year. Without the help of all the members of the park we would not have the best park in White County. Those of us who are staying a little longer will be finishing up some of the work. You can keep up with the information on the park through our web site [PVCOA.com](http://PVCOA.com). Have a safe trip home and a good winter.

## Special Events

### CELEBRATION!

Gather Together for some Good Eats! We are serving up Regular & Veggie Hamburgers, Regular & Fat Free Hotdogs, Brats, Baked Beans and Watermelon! Please Donate a Dessert to Share! Come and Enjoy Good Food and Fellowship!

Monday, September 3rd, 12:30 pm @ the Pavilion!

## The CHEROKEE

Trip was a BIG Success.

Thirty Six people went on the trip to Cherokee in a very comfortable luxury motor coach. Everyone had a wonderful time! We even had several winners!

## Friday night Ice Cream Social and Card Bingo....

have been a huge success. The first week Austin Ash won \$35.20, Fran

Herndon won the biggie the next week, and last week's big winner was Ted Dietz. Remember the Ice Cream Social starts at 6:00 p.m. and Card Bingo at 7:00 p.m.

Our day started with coffee and donuts provided by Randy Phillips the Tour Company owner and our guide for the day. On the way up we played four games of bingo, with three winners for each game. Randy gave lottery tickets to all the winners! On the way home he sold tickets for a game with two winners. Bobbie Harden and Pat Szlosek each won \$37.50.

Gambling was not the only entertainment of the day. Harrah's has wonderful restaurants with Paula Dean's and Tuscan Grill being two of the favorites. There were also several shops in the casino and the adjoining hotel that several of our group enjoyed browsing. The Casino also provided a bus to the downtown area for \$1 which many took advantage of. The tour company also presented the campground with a check for \$80 because they normally give the people that organize trips free fare, however, Sandy and Lin wanted to pay their own way.

A big Thank You goes out to Ray Schultz for cleaning up the Pavilion after the coffee and donuts and also for walking several owners' four legged companions!

For Card Bingo you need to bring one dollar, three quarters, three dimes, and three nickels.

The ladies are having fun at the Tuesday morning crafts. Jewelry making and One Stroke painting seem to be the most popular. If you would like to participate in either or bring your own craft, just stop by the pavilion any Tuesday morning at 10:30 a.m.

**T-Shirts** are still on sale and the order form is in the pavilion. We have a ladies white size large and a ladies yellow size large (\$12.50 each) in stock if anyone is interested. Use the order form for first come - first serve basis.

### **Wednesday afternoon**

**Social Swirls** have been a great success. Last Wednesday over 30 enjoyed delicious snacks and visiting with friends. See you on Wednesdays at the Pavilion at 4:00 p.m. Bring a snack to share or just come to visit.

### **DULCIMER CONCERT at PARADISE VALLEYCAMPGROUND**

We're having a Concert in the Park!! Join Us for Some Great Music Sunday, September 9th @ 7pm

At the Pavilion  
Dessert and Coffee  
will be Served!

### **A Pot Luck Dinner**

is scheduled for September 21<sup>st</sup>. We are planning to make the lines more efficient. More information will follow regarding this Event.

### **SCHEDULED MEETINGS**

in

**PARADISE VALLEY CAMPGROUND**

Following is the Schedule for the up and coming meetings. Workshops have had a very small turn out; please remember that **ALL MEMBERS** are invited to join the Workshop Meetings which fall on the Friday a week prior to the Monthly Board Meetings. Fritters & Coffee are served at 9 am before each Board Meeting:

Workshop Meeting - Friday, August 31st  
Election Meeting - Sat, September 1st  
Board Meeting - Saturday, September 8th  
Workshop Meeting - Friday, October 5th  
Board Meeting - Saturday, October 13th  
(Last Meeting for 2012)

All Meetings Begin at 10 am

### **A Note from your Editor**

Thanks for all those who shared information and cooperated with the deadline. The October deadline is Wednesday, September 26 by noon.

## Bible Study Meeting

We will have a meeting about our 2013 Bible Study on Monday, October 1, 2012 at the Pavilion at 7 pm. We need to get together to meet and discuss materials and areas of interest.

We still need a new Pipeline Editor. Basic Typing and computer skills are necessary for the Pipeline.

We also need a new Sunshine Lady. The Sunshine Lady sends cards to people who are ill or who need encouragement.

In August, Becca Roby sent cards to Paul Merritt who had a very bad fall. Kay Roane had surgeries on each eye. Sally Joes was ill and Dyann Killgo had knee surgery. Paul is still having more tests done. Sally is following up with her doctors and both Kay and Dyann are on the mend. We also heard that Lin Ewert had a health issue, but is feeling much better now.

## Prayer Corner

We pray for all our friends who have been ill and for travel mercies. Thank God for all his blessings. We pray for peace and harmony among all our neighbors. We ask God to bless our homes, our communities and our nation. I would even like to bring God back into our schools, our meetings, and even our government courthouses. (Our founding fathers never thought he would be asked to leave.) One of my favorite prayer verses is Psalm 51: 10, "Create in me a clean heart, O God, and renew a right spirit within me." I am asking God to lead many people to Himself through our future Bible studies.

Amen      Jan Coman

We regret that we no longer have a Yonah Bowl bowling group. Mondays are the only day they are open at 10 am. And that hasn't been working out well. We could also bowl Thursday at 4:00, but that hasn't worked out either. Yonah Bowl is now closed all day on Tuesday.

When you leave - please turn your water OFF! Even if you are leaving for a few days, the water must be turned off.

The Creek is not to be disturbed. It is a Federal Offense to disturb the creek. It does not belong to Paradise Valley. Do NOT take any rocks out or even loosen the rocks. The banks may not be cleared. Also Eastern water snakes are protected. There are no water moccasins in this area.

### Scotch Egg

Scotch egg is served in English Pubs. Sam Owens suggests serving these eggs for breakfast or for an appetizer. Sam filmed a video on how to make this recipe which can be seen on [pvcoa.com](http://pvcoa.com).

Combine these Ingredients:

1 pound of sausage  
1/2 c. bread crumbs  
1 Tablespoon barbecue sauce  
Salt and Pepper to taste  
and divide into 6 patties.

More ingredients:

6 boiled eggs  
3 egg beaten with 1 Tablespoon water  
More bread crumbs (as desired)

Take each boiled egg and coat with egg-water mixture.

Roll each egg in sausage being careful not to let the egg show.

Coat sausage in egg water.

Roll each sausage mixture in additional bread crumbs until well coated.

Fry in the deep fryer for 4-5 minutes until well browned.

Sam Owens

Ken Killgo reports that FedEx now has a gate card to facilitate their deliveries. He is trying to "catch" the other delivery people to give them their cards. Thanks, Ken, for taking care of our deliveries and our architectural changes.

### **Great Maintenance in Our Park**

#### **Men at Work**

I feel that we need to thank our volunteers for all the work that has gone on this year. Thank you to all those Board Members and other Volunteers and praise for our Camp Workers who have done so much work to beautify our park. Tom Grice (Grounds Chair) reports that he and Ken Killgo (Architecture Chair), Clyde Camp (president), and Rory Riff (Secretary) are replacing 10 rotten bridge boards as I am typing. Be sure to see the video on the [pvcoa.com](http://pvcoa.com) website. One more painting day will finish our attractive fence. These hard workers are planning on filling the cracks in the road next.

We also appreciate our new front loading washers. Please make sure you follow the directions that are posted. The door is to be left open on the washer, so the seal can dry out and not rot. Leave the soap tray open too. These washers take less water and less detergent. They are more efficient. They cost \$1.50 to operate, but will save everyone money with less soap, less

water, a larger load of clothes and less strain on our sewage system.

#### **Ladies at Work, Too**

I went past Barbara Stone and our camp worker, Carol, as they were trimming bushes the other day. The flowers and bushes are lovely, the new ones in front and all of the other ones around the park. They keep the bushes trimmed and healthy. I am very proud of all our beautiful bushes and trees.

#### **Our Camp Workers**

John and Carol Dryton have done a great job this year working with our board and other volunteers. They set up and tear down for our special events and have done a lot of cleaning and maintenance work. I am so glad to report they will be back with us next year.

#### **Welcome Back**

I hear that Bob and Nancy Poling were evacuated from their home in Alabama. They are temporarily staying on a rental lot with their two dogs, Penney and Angel. Sorry, for the evacuation, but we are glad they had a nice place to return to in an emergency.

#### **More Sincere Thank Yous from Jan**

I have had a lot of help with the newsletter lately. Sue Riff has helped with articles, proofreading and some printing. Paula Noble helped with some printing also, but has been gone lately due to family illnesses. Becca Roby has helped and is still helping with printing this newsletter. Gail Flynn and Sam Owens have helped with on the scene reporting.
